Activities

Jesus and His Disciples have Breakfast

Discussion

- Why were the disciples out in their boat?
- What made them come to shore?
- What did Jesus tell them to do?
- How has Jesus helped you in your life?

Lego/Duplo Challenge

This week, try to build Jesus with his disciples on the beach. Have fun thinking of ways to show the ocean and the sand.

Email a picture of your creation to me at jen@stmikes.ststeves.org.uk I can't wait to see what you make.

Prayer

Spend time together thinking about what God has helped you with as a family? Now pray and ask God to continue to help you. Thank Him.
